The chief ground and the only one upon which promotion with whose time effect is sought for is that Mr Palfer was doing practically doing the duties of the Dy Santy Comm.r from the date of the Govt. order constituting the new department of Public Health. In his D.O. letter of 24.6.7 in file below Major Drake Brockman said that "of (Mr. Palfer) his appointment as Deputy with which the post of P.A will be combined, there will be no difference in the nature of the duties he will have to perform".

It is therefore not quite clear whether any special duties attached to the Dy Santy Comm.r were performed by Mr
